

IOANNIS KOUPIDIS

Stockholm, Sweden · +30 698 132 3092 · gkoupidis@gmail.com

PROFILE

Multidisciplinary designer and founder with 20+ years of experience across visual communication, brand experience, and business operations. Ran a staffing company in Stockholm for twelve years, coordinating contracts, schedules, budgets, and people across parallel assignments. Recently completed a UX design program at Medieinstitutet, with a working method grounded in structured research, clear documentation, and attention to detail.

EXPERIENCE

Founder & CEO — Konduko AB, Stockholm 2012–2025

Founded and ran a staffing company specialized in specialist doctors for the public healthcare sector. Won public procurement tenders independently. Responsible for client contracts and consultant agreements, scheduling across parallel assignments, budgeting and invoicing, physician recruitment and vetting, and day-to-day client and consultant relations. Implemented and maintained ISO 9001 and ISO 14001 certified management systems.

Founder — NiyaCare Stockholm AB, Stockholm 2011–present

Responsible for quality management, staff vetting, and day-to-day operations in a small service-based organisation.

CREATIVE & DESIGN PRACTICE 1998–2011

Graphic Designer → Project Manager — Apolyto S.A., Athens 1998–2009

Worked across visual design and production for commercial clients. Focus on layout, image retouching, colour management, print production, client briefs, and quality control. Gradually took on project coordination and responsibility for delivery.

Creative Consultant — Angelos Frentzos S.A., Athens / Milan 2004–2011

Creative collaboration with fashion designer Angelos Frentzos. Contributed to branding, lookbook concepts, visual storytelling, photography direction, and runway show material for Milan Fashion Week.

Creative Consultant — Barbara's Food Company, Athens 2009–2010

Branding, packaging design, food styling, and photography. Worked on the visual identity and launch of Delivery by Barbara.

Marketing & Design Consultant — PricewaterhouseCoopers (PwC), Athens 2004–2009

Design and marketing collaboration on national print advertising and conference materials. Supported communication through clear visual structure and messaging.
